

# South-West coal rail corridor

The South-West Rail Corridor continues to provide customers in the West Moreton System with reliable rail services to the Port of Brisbane.

Aurizon hauls coal from the West Moreton Coal System along the South-West Rail Corridor through to the Port of Brisbane.

Aurizon has proven capabilities in delivering bulk freight and logistics solutions for a diverse range of customers and commodities.

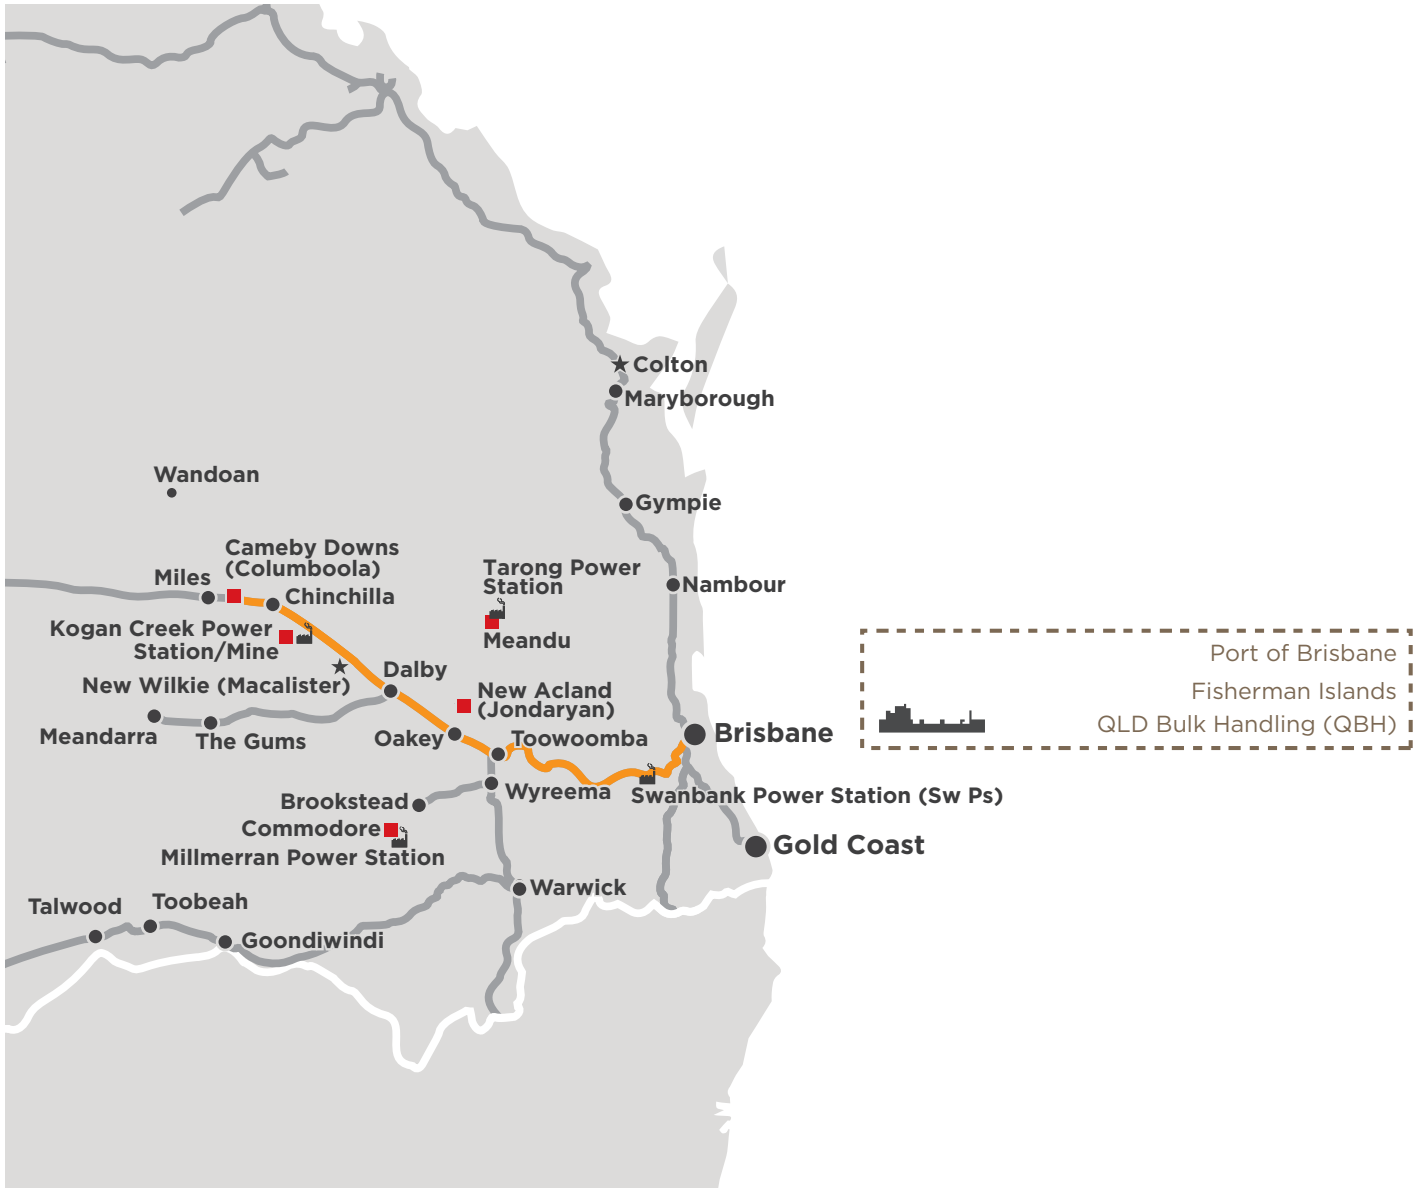

Our efficient and flexible fleet reliably meets customer needs across our network.

Major Aurizon coal customers in the South-West Rail Corridor include Yancoal and New Hope Mining.
