Declaration

In applying for a permit to cross Aurizon Network Rail Infrastructure the Company confirms that:

- › The Company as detailed holds;
 - Public liability insurance subject to a limit of not less than AU\$20,000,000; and
 - Motor Vehicle Insurance for third party property damage subject to a limit of not less than AU\$20,000,000;
- › The Company agrees to provide evidence of insurance upon request;
- › The Company confirms that all vehicles and trailers are registered and that the Company holds all insurance required by statute with respect to all vehicles and trailers – including but not limited to Compulsory Third Party Insurance;
- › The Company agrees to obey, and ensure its employees, contractors and agents obey, all instructions, signals and directions given by authorised Aurizon Network Officers at each level crossing or bridge;
- › The Company agrees to comply with, and ensure its employees, contractors and agents comply with, all conditions included in the permit (if approved) provided by Aurizon Network;
- › The Company acknowledges that failure to fully comply with the conditions of the permit may constitute an offence under traffic, rail safety, electrical safety and transport infrastructure legislation, and may also result in charges being applied;
- › The Company indemnifies Aurizon Network Pty Ltd and its employees or agents from all actions, suits, claims, costs and demands of every description by Aurizon Network Pty Ltd or others whatsoever arising out of or in relation to the movement by road transport as herein described;
- › The Company will provide all necessary information regarding crossings they will cross when entering and exiting mine sites, private property and unnamed/proposed roads; and
- › The Company confirms its confidence that all vehicles and trailers listed within this application can successfully traverse the proposed route without incident at any Aurizon Network Pty Ltd level crossing or bridge.
